

GOVERNMENT DEGREE COLLEGE FOR MEN

BEST PRACTICE: 1

TITLE OF THE PRACTICE: Clean, Green and Eco-Friendly Campus

“What we are doing to the forests of the world is but a mirror reflection of what we are doing to ourselves and to one another” – Mahatma Gandhi

“Every drop is precious” and so utmost care is taken to stop misuse of the “wonder liquid”

“No to Plastics” is rigorously implemented in a phased manner from 2019 onwards in compliance with the theme “Beat the plastic pollution” for the World Environment Day 2019.

Students are sensitized to stop using “One time Use” plastics and are progressively educated to keep away from rampant plastic use in their daily life at home and on campus. The fundamental concept of ‘3R’s (Reduce, Re-use and Recycle) is reinforced in all the stakeholders including canteen, stores and others.

PLANTATION PROGRAMME

Sri Mahammad Iqbal, IG Rayalaseema range AP Police –Planting the sapling.

Maintenance of Botanical Garden

Nursery beds Preparation

NURSERY

CLEAN AND GREEN

Flower Pot preparation

SOME OF THE FRUITING TREES IN THE BOTANICAL GARDEN

WATER APPLE

Carissa carandas

“Go Green - Spread green” concept

**Donation of plants to Dr. Vishnu Priya, Lecturer in Botany
Government Arts College, Anantapur**

**Collection of plants from Botanical Garden By Dr. Ranga reddy,
Lecturer in Botany, K.V.R Government College, Kurnool.**

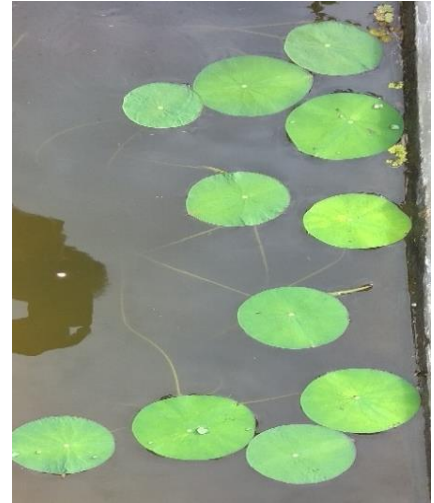

Establishment of Aquatic Flora in the Botanical Garden

Seeds of *Nelumbo nucifera*
