

## **ACHIEVEMENTS**

The **Red Ribbon Club (RRC)** plays an important role in health awareness and youth engagement, especially around HIV/AIDS prevention and social responsibility. Here are the key **achievements**:

### **1. Awareness on HIV/AIDS**

- Conducts regular seminars, rallies, and campaigns to educate students about HIV transmission and prevention.
- Helps reduce myths, stigma, and discrimination related to HIV/AIDS.

### **2. Promotion of Voluntary Blood Donation**

- Organizes blood donation camps in collaboration with hospitals and NGOs.
- Encourages students to become regular voluntary blood donors.

### **3. Life Skills & Youth Empowerment**

- Trains students in leadership, communication, and decision-making skills.
- Builds confidence to spread awareness among peers and society.

### **4. Health & Hygiene Education**

- Spreads awareness about general health, reproductive health, and personal hygiene.
- Promotes safe and healthy lifestyles among youth.

### **5. Observance of Important Days**

- Celebrates events like **World AIDS Day** with rallies, poster competitions, and skits.
- Increases public participation and awareness.

### **6. Reduction of Risky Behaviour**

- Educates youth about substance abuse, unsafe practices, and their consequences.
- Promotes responsible behaviour and decision-making.

### **7. Peer Education System**

- Trains selected students as peer educators.
- These students influence and guide others effectively.

### **8. Social Responsibility Development**

- Encourages students to become socially responsible citizens.
- Promotes values like empathy, service, and volunteerism.
